

MEDIA KIT 2025

RIYAD KETAMI

AI CREATOR / AI EDUCATOR

Empowering the MENA region through
AI education & digital strategy

@riyadketami

AI Creator & Educator • Digital Strategist

ABOUT

RIYAD KETAMI

Riyad Ketami is an AI educator, entrepreneur, and digital strategist focused on introducing emerging artificial intelligence technologies to North Africa and the MENA creator economy.

Through multilingual educational content in Arabic, French, and English, product demonstrations, and practical AI workflows, he helps global AI companies localize their products and reach fast-growing tech communities.

Specializes in:

- AI Product Education
- Content Strategy
- SaaS & Tool Tutorials
- Practical AI Workflows
